

PURCELL SCHOOL APPEAL

I posted a message here last year, asking for Harrow U3A volunteers to act as 'guardians' to some individual boy and girl pupils of the Purcell School (of music), who live abroad.

I received a new plea for help from the school today, which read:

"Unfortunately all the previous contacts we made for guardians were>lost when our Main School Server went down and our electronic records >were lost some months ago. As you know we have a number of pupils >in the School who live overseas. Mrs Jocelyne Hazan runs our >Guardian arrangements so that these pupils have someone in the >country to look after them at exeats, half terms and indeed take >a general interest in their progress through the school. >All volunteers will be paid the guardian rate".

You are probably aware that students of the Purcell School gave a wonderful (free) concert recital for Harrow U3A members on April 30th, attended by about 70 of our members. Another such concert is provisionally planned for October 2008.

May I ask members willing to help, to please contact:

Ms.Gail Remfry,
PA to Headmaster
Tel: 01923 331104
Fax: 01923 331199
Email g.remfry@purcell-school.org

At the same me time would also also please give your name to Toni Waxman, a Harrow U3A 'Tours and Visits' group leader, on toni2bee@talktalk.net

I would sincerely appreciate your help on this occasion. - Peter
